PRODUCT PHOTOGRAPHY

We specialize in capturing high-quality, detail rich product images that highlight the unique features and appeal of each item. Our goal is to create visuals that not only showcase the product's design and functionality but also reflect the brand's identity. We've done product photography for brands like Fragl (a perfume brand), focusing on clean, detailed shots that highlight the look of the product

EVENT PHOTOGRAPHY

14 AUGUST
INDEPENDENCE DAY

at gove

We capture the energy, emotion, and atmosphere of events, whether it's a corporate gathering or a high voltage concert. We've covered major events all over Karachi and worked with top artists like Atif Aslam and Young Stunners, capturing clear and powerful shots that show the real vibe of every moment.

MAGICAL

CORPORATE PHOTOGRAPHY

We capture professional portraits, team photos, and workplace environments that reflect your brand's identity and values. Worked with institutions like IBA to deliver high-quality corporate photography that meets professional standards

Media Core had the privilege of covering the high-energy Prism Fest Concert featuring Talha Anjum. From the electrifying crowd to the powerful stage presence, every moment was captured with precision and passion. Our team worked behind the scenes to bring the raw energy of the performance to life through dynamic visuals and cinematic highlights.

SEASON 05

CREATIVE POSTERS

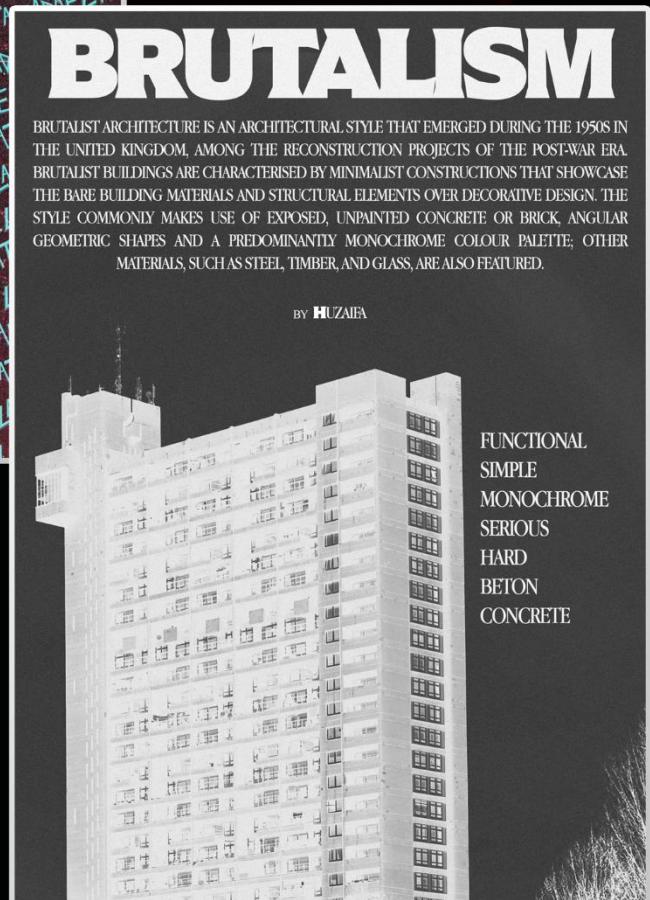

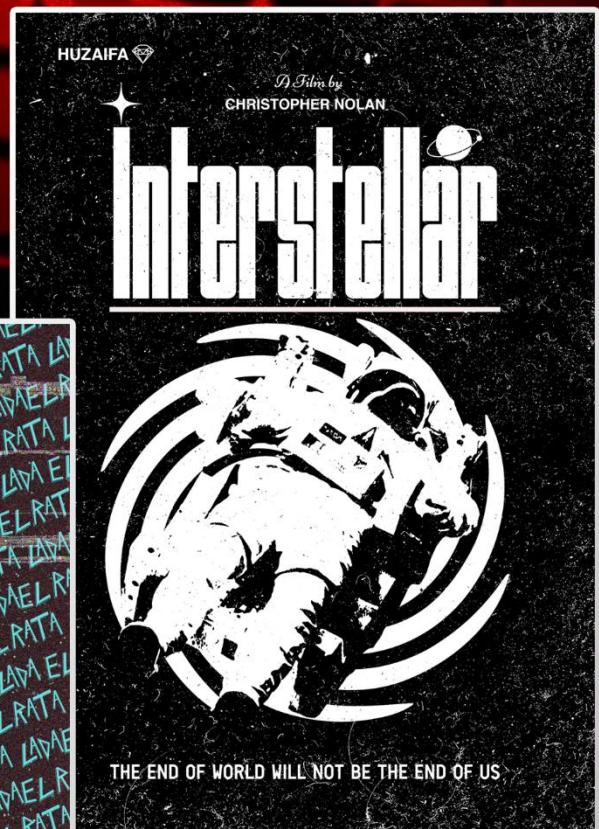

We create clean and purpose-driven poster designs tailored to brand needs and campaign goals. Each design is structured to communicate clearly while maintaining visual consistency with the brand identity. Whether it's for a campaign, concert, or cause , our posters are built to stand out in the crowd.

Crafted with bold visuals and fresh energy, our Gen Z designs speak the language of the new generation.

GEN-Z

CHARACTERS

We design custom character graphics that align with brand themes and enhance visual storytelling across digital and print media.

LOGOS

A logo is not just the identity of a brand, it's the first impression, the silent ambassador, and the face of your story. At Media Core, we craft logos that speak for your brand before words do.

HALOGEN MOISTURE TESTER

FOR PAPER, CARDBOARD
FOOD INDUSTRIES

Specifications	124g / 5mg
Sensors	HBM Strain
Scale Pan Size	Ø90mm
Reading accuracy	5mg
Ambient temperature	5 - 35
Heating unit	Halogen lamp -01
Temperature sensors	PT - 1000
Temperature range	40 - 250
Temperature adjustable	1°C
Moisture accuracy	0.1 %
Moisture range	0.00% - 100.00%
Dry weight range	100.00% - 0.00%
Baud rate	0.00% - 100.00 %
Data serial port	RS232
Storage data	15 groups
Voltage	220 V
Size	315 x 210 x 205 mm
Weight	8.8 kg

The moisture analyzer can be widely used in all industries that need to quickly measure moisture such as paper, food, feed and other laboratories and production processes.
